## New Life Children's Refuge (NLCR)

New Life Children's Refuge is a non-profit Christian ministry dedicated to rescuing, loving and caring for orphaned, abandoned and impoverished Haitian and Dominican children, demonstrating God's love and helping each child find healing, hope, joy and new life in Christ. We will strive to also equip each child with a solid education and vocational skills as well as opportunities for adoption into a loving Christian family.

NLCR is in the process of buying land and building an orphanage, school and church in Magante on the northern coast of the Dominican Republic. Given the urgent needs from this earthquake, God has laid upon our hearts the need to go now vs. waiting until the permanent facility is built. He has provided an interim solution in nearby Cabarete, where we will be leasing a 45 room hotel and converting it into an orphanage until the building is complete.
