FOX NEWS REPORTS: Bill Clinton's presence aboard Jeffrey Epstein's Boeing 727 on 11 occasions has been reported, but flight logs show the number is more than double that... Epstein, who counts among his pals royal figures, heads of state, celebrities and fellow billionaires, spent 13 months in prison and home detention for solicitation and procurement of minors for prostitution. He allegedly had a team of traffickers who procured girls as young as 12 to service his friends on "Orgy Island," an estate on Epstein's 72-acre island, called Little St. James, in the U.S. Virgin Islands.

There's no way he can get bail. He dies the second he leaves custody. This case is simply too cataclysmic to be dealt with in a civilian court.

Jeffrey Epstein bail ruling delayed as more accusers come forward

Jeffrey Epstein will have to cool his heels at least a little longer in jail — as Manhattan prosecutors revealed Monday that more alleged victims have ...
